Subject: Master Plan Review for Project 2007-402-00

This submittal from the Idaho Department of Fish and Game is intended to initiate the review process associated with a proposed hatchery (i.e., Major Project Review) master plan.

The Master Plan (Step 1) titled *Springfield Sockeye Hatchery Master Plan for the Snake River Sockeye Program* is a component of Project #2007-402-00, *Snake River Sockeye Captive Propagation*.

Your review should focus on the response to the Step review elements as per the major project review process for a master plan; please see [specific questions](#).

The submittal received includes the following:

- [Cover Letter](#)
- [Volume 1: Master Plan](#) (4mb PDF)
- [Volume 2: Appendices](#) (12mb PDF)
